MEMORANDUM FOR: All NIOs

FROM : H. F. Hutchinson, Jr.  
Vice Chairman, NIC

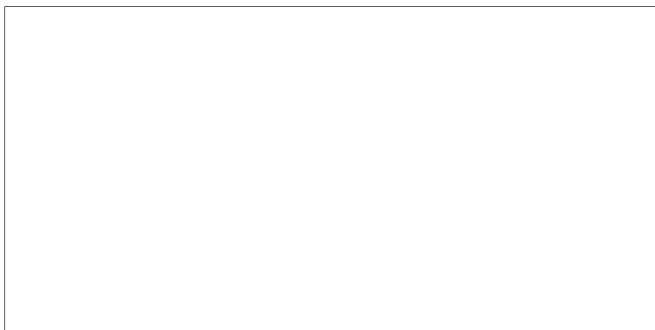

SUBJECT : Daily Indications Status Report (DISR)

1. You will recall, perhaps with some pain, the 16 June briefing from DIA on the Defense Department I&W system. That briefing failed to mention the output of all those processes described in agonizing detail. The output is the DISR.

2. The attached copy of the 17 June DISR indicates that several of you receive the report. I recommend that all of you receive it and scan it on a daily basis.
